Exciting News,

We continue to grow. In Sept, we welcomed back 2 well known faces. Timothy Myland has returned to our VE board and has assumed the role of Chair(president). Bill Johnson has also returned to our board. Their combined knowledge and experience of 20+ years with VE, will be of great assistance to us as we build a plan for the next 5 years.

Unfortunately our former admin assistant, Michele, had to leave us for personal reasons. Andrew Akam has now joined our staff as the new VE administrative assistant. Richard Jong is also joining our staff to assist with some special projects. We are excited to welcome both men and see our plans for restructuring implemented so our vision of increased engagement with our Village, our families, churches, donors and the community at large can unfold.

What a blessed year it has been. In addition to our virtual activities, VE families enjoyed a summer picnic, an evening of bowling and a youth ballet performance as well as summer camps, short stay retreats at our VE cottage and our Move with Love fundraiser. We are hosting a Christmas worship and party in the gym at SCBC on Sat Dec 3rd. (Registration closed on Nov 24th). It has been wonderful to connect with everyone personally rather than just through computer screens and to meet new families.

PROGRAMS

Prayer and Share

Since VE has been around, we have always been supporting all our families through prayer and share. From Oct 27th, every month except on holidays and camp month, our parents' facilitators will pray for our connecting families to bring their praises, thanksgivings, supplications and intercessions to our Lord. Having more than 80 families from all over Ontario, VE earnestly supports each family with prayer, trusting that our Father will intervene in His loving way through His immeasurable wisdom to help each one of us (including our children and youth) striving for a life that is pleasing to our Lord. All your prayer requests will be kept within the group without your prior consent and don't forget to reach out to any of us should you need prayers. We'll always be here!

The Siblings Program

The Siblings Program is a virtual program hosted monthly on Zoom and welcomes all siblings in middle school through to young adulthood. This is a space for siblings to process their thoughts, connect with others who share similar life experiences, and to enjoy one another's presence. It has been a blessing to see siblings look forward to this time together and support each other through prayer.

**Village Eulogia Family Retreat
A New Cottage!!**

Village Eulogia continues to offer retreats to families with children and young adults with special needs. In addition to our comfortable accessible cottage, we have a **NEW COTTAGE** where families can step away from their day to day lives to refresh and renew in a quiet and relaxing space.

We hope you will consider this an opportunity to bathe in the Lord's blessing through retreat. We need to be intentional about our relationship with God and our spiritual growth, so that we can live not only fulfilled lives but live life to the fullest.

Keep an eye on our website for more information.
